Exhibition DVD

The exhibition is accompanied by the DVD "*The Ecstasy of Colour – Munch, Matisse and the Expressionists*".

The film "*The Ecstasy of Colour – Munch, Matisse and the Expressionists*" on the one hand illustrates Museum Folkwang's early commitment to avant-garde art, and on the other revisits the original artistic settings in search of the origins of Fauvism and Expressionism. In so doing, director Ralph Goertz highlights the fine links between artistic inspiration and stylistic overlaps.
